24th June 2024—28th June 2024

Dear parents and carers,

This week we welcomed Mark from All Saints who delivered our Key stage 2 assembly. Mrs Berry talked in the Key stage 1 assembly about change as all of the children from Nursery to Year 5 took part in a transition morning this week which allowed them to meet their new teacher and additional adults in their class as well as experience a taste of what it will be like next year!

This week we carried on with Sports Day again can we ask parents to look out for letters and information regarding these as these will be happening in between now and the end of term.

We were all lucky enough to watch the Year 6 performance of Moana this week. If you came and watched either of the performances, I am sure you were as proud as we were of the children who took part. It was amazing and you put on a great show. Thank you also to Year 5 children who made did an excellent job as the choir who complimented the performance brilliantly.

On Friday Claire Williams from Girls in Data came in to carry out workshops with our Year 5 girls to explore professions in IT and how you can achieve great things in life and different avenues into different careers. All children worked together to produce a design for a smart device and presented it to the group.

The girls football team were victorious with a 3-0 win against Pleasant Street Primary on Wednesday after school. And good luck to our boys football team who are playing tonight!

Lastly we waved off a group of Year 6 pupils and staff members who have gone on their residential to London, I am sure they will have an amazing time and keep an eye out on X (Twitter) for photos!

This week's whole school attendance figure is 94.31%. This slightly below last weeks attendance, I am sure that we will improve next week and eventually reach that magic 97% target. Remember all children should be in school, on time, every day.

I hope you all have a lovely weekend. See you all on Monday.
