

# Kensington Community Primary School Newsletter

1st July 2024—5th July 2024

Dear parents and carers,

This week Key Stage 1 had their assembly with Mark from All Saints Church. He outlined some of their plans for working in the community. In Key Stage 2 I read a story showing the importance of good friendships and how people should help each other out when they get into difficult situations.

Last weekend it was the year 6 residential to London. The children went to Legoland on the Friday, the London Eye on the Saturday and then the Natural History Museum on the Sunday. The children really enjoyed their stay in the Premier Inn next to Heathrow and were well behaved at all times especially in the Pizza Express and the Harvester when they were tired from their long days. Thank you for a lovely weekend even if it was very late when we arrived home you all left with smiles on your faces.

We have been continuing with our sports days with year 1, 3, 4 and 5 enjoying the sports arranged for them. Thank you to all those parents who have braved the unreliable weather to support their children.

It has been a busy week for year 1 with a trip to Botanic Park on Tuesday morning and then their special performance on Thursday. I have been very impressed with the way that Year 1 have showed enthusiasm for their learning and performing. I hope they will continue to enjoy what they are doing.

Nursery all went to the world museum to visit the aquarium they were focussing on understanding the world around them. They had a brilliant time and learned so much about different living things and where they live.

On Tuesday afternoon players from Liverpool Woman's team came to meet with our football team to do a question and answer session and then have a kick about. Our team has been very successful this year and we wanted them to aspire to go further with their sport. I hope that they got lots of tips of how to make it to the top of the female professional game.

On Wednesday it was our full day transition the children got to spend the whole day with their new Teacher and Teaching Assistants. The children completed lots of activities which would help them get to know their likes and dislikes ready for the new school year. Year 6 were also on their transition day to their secondary schools. They all came back to school brimming with confidence and ready for the next stage of their school journey.

Yesterday it was parents evening and it was lovely to see so many of you. I have read all of your children's reports and made a comment about the year that they have had. It has been lovely seeing your children work so hard and be so enthusiastic about their learning. I am sure that you will be as pleased with their reports as I have been.

Today the children in year 5 and 6 had an assembly with the police. They came to speak to the children about how to behave on public transport. This was particularly important for the year 6 children who will probably be getting the bus to school next year.

This week's whole school attendance figure is 94.01%. This slightly below last weeks attendance, I am sure that we will improve next week and eventually reach that magic 97% target. Remember all children should be in school, on time, every day.
