

Kensington Community Primary School Newsletter

8th July 2024—12th July 2024

Dear parents and carers,

What a great last full week we have had. We started the week with assemblies on determination and friendship as these are things that we think are key elements to ensuring a happy time in our school.

This week we had our final sports days for Nursery and Reception. It is clear that those children have all seen their physical development improve over the year. Well done to all of the children for being great sportsmen and women in all the different sports days.

On Tuesday afternoon we had our last transition day where they had a final meet the teacher session with their teacher for next year. I feel that the children now feel much more prepared for the next year and this will be one thing they won't have to worry about.

Also; on Tuesday the year 6 children received their SATs results. We are all very proud of how hard they have worked and how they have tried to ensure that they have reached their targets.

This week the year 5 classes have been on class trips to the maritime museum this was to support the work the children have been doing on the development of the docks for their local history unit. The people who led the tour were very impressed with the level of questioning by the children and felt that the children were fully engaged with their learning.

This week's whole school attendance figure is 94.15%. This is slightly lower than we have had previously which is very disappointing. This is mainly due to parents taking their children on holiday before the end of term. No holidays will be authorised and fixed penalty fines may be issued for those who do.

I hope you all have a lovely weekend. See you all on Monday!

Mrs. K. Davies
