

Kensington Community Primary School Newsletter

30th September 2024—4th October 2024

Dear parents and carers,

WOW! What a busy week we have had!

Thankfully the weather turned drier for the second part of the week. But I wanted parents to know how well the children had behaved during the wet playtimes it is not easy being indoors all day with a group of at least 25 children in a room so well done to all those children who used their classroom zones properly.

This week 5T and 5M went to the world museum to learn about more about space, the planets and the solar system and how it works. This is always an exciting trip as the planetarium is a wonderful experience for all the children. 5J it will be your turn next week.

On Wednesday it was 3C's turn to go to the Palm House in Sefton Park to investigate plants. The children really enjoyed their trip and were able to develop a deeper understanding of the things they had learned about in class during their science lessons.

Also, on Wednesday we had a visitor from Kensington Fields who worked with children in reading groups. The books that they were focussing on were about equality and diversity and how equality does not mean treating everyone the same but about ensuring that everyone has equal opportunity regardless of their needs. A very important message for everyone to understand.

The girls football team played against St Nicholas school and came away with a win this week. The children made a super start to the season and scored eight goals. Keep it up girls you are doing so well and it is lovely to see the joy on your faces after a game.

The year 4 team had a friendly competition/ mini tournament on Thursday and they did super well and came second. We are very pleased with the way the children pulled together as a team and supported each other in the games.

Throughout this week the year 5 children have been taking part in Bikeability. This is to help those children who can ride a bike develop good road sense so that they will be safer riders especially on the roads. This will be taking place over the next couple of weeks and will involve year 5 and 6.

In today's celebration assembly we gave out the results of the Pupil Panel elections that were held on Thursday. These elections are a great chance for our children to experience the democratic system that underpins British Values. Well done to all the children who are now proudly wearing their Pupil Panel badges.

We also we very pleased to announce our Reading and Maths Ambassadors. The children were chosen by their class teachers to be the responsible person that will be the champion for those subjects in their classes. On Monday they will meet with the Maths, English and Reading leads from our school Senior Leadership Team. I know that the children were thrilled to be given their badges which they are all wearing with pride.

Tonight, the school football team will be taking on St Nicholas school in a match at Admiral Park. I wish them the best of luck. Play well everyone.

This week's whole school attendance figure is 95.68%. this is an improvement on last week. However once again, the bad weather had an effect on our attendance on Monday and Tuesday. Please ensure that children are in school, on time, every day. We must keep striving for the target of 97%.

Have a lovely weekend and we will see you all on Monday.

Mrs. K. Davies
