

# Kensington Community Primary School Newsletter

11th November 2024—15th November 2024

Dear parents and carers,

This week it has been anti-bullying week. In our assemblies we focussed on sharing any worries and not judging people. During the week the whole school have done activities to remind children to be kind but also to speak out when they know that bullying is taking place.

On Tuesday Year 6 had Primary Inspirations the whole year group go into the hall to work on an enterprise initiative. For them it was about working on a newspaper. The children were all given different jobs including creative writer, artist, advertising and promotions. They were all hoping to become the best newspaper.

On Tuesday it was 4H's turn to work on their DT skills with Steph O'Donnell. Mr Hudson was really pleased with the way the class applied the knowledge they had been given and the sensible way in which they used the equipment.

On Wednesday it was year 5 with the Primary Inspiration team their focus was developing and designing a chocolate box. The children were split into groups and each child was given a job. They could have been creating a slogan, deciding on the flavours for the chocolates or designing the packaging. It was the first time they had taken part in an activity like this and all the teachers were pleased with the way the children worked together to create their product.

On Thursday night we were entered into an Archery competition at against Wavertree, Kingsley and Our Lady of Good Help. The children came back absolutely ecstatic as they didn't lose a single game all night. Well done to our sharp shooters!

Last week, I told you that it was the last game in the boy's league. The boys didn't win their final game and so came third. Mr Chubbock and Mr Ashley has been really pleased with the way the children presented themselves each and every time they went to play. They were good sportsmen and supported each other.

This week's whole school attendance figure is 94.91%. This is an improvement on last week. I was really pleased to see so many 100% classes especially on a Friday. Please ensure that children are in school, on time, every day. We must keep striving for the target of 97%. It is really important that your children attend school each and every day.

Have a good weekend!
