

Kensington Community Primary School Newsletter

18th November 2024—22nd November 2024

Dear parents and carers,

It has been such a cold and wintery week. The children were all very sensible when the snow came and were aware of how they should behave when it was slippery.

On Monday Mrs Berry held a pupil panel meeting. The topics for discussion were the menus for dinner, activities for Enquiry and lunch times, taste testing and provision of clubs. The children are doing a really good job of getting the views of the children in their year group and bringing ideas back to discuss at the meetings. I am so pleased that the children are getting their voices heard.

On Tuesday the last year 4 class 4T took part in their DT project on structures and frames. I know that this has been enjoyed by all the children and they have shown that their skill set has improved greatly.

On Thursday Year 5 had their opportunity to work on their DT skills. They all went into the hall for the full day. The children had already been working on their designs for a moving vehicle so this was their time to build them and put in their batteries. I know that many parents got to see how well they had done on parents evening.

A big thank you to all those parents who came to meet with the teachers yesterday evening. It is always so good when we can share your children's successes and help you to help them with their areas for improvement. I hope that you will continue to support your children in school at every opportunity.

Today 2B had a trip to The World of Glass in St Helens. The trip was to support their learning in science. They are looking at changing states and materials. I know that the teachers were really looking forward to seeing how glass is made and the impact that heat has on materials. This is the first of the year 2 classes to go so I'm sure that 2S and 2HS will be looking forward to their trips next week.

This week's whole school attendance figure is 92.92%. This is very disappointing and a large decrease from last week. I know that we have entered the coughs and cold season but please remember that we will administer all medicines if a consent letter has been signed. This should help your children to attend school as much as possible. Well done to all those children who have been in school, on time, every day this week.

I hope you have a lovely weekend, keep warm as it promises to be a cold one.

Mrs. K. Davies
