

Kensington Community Primary School Newsletter

13th January 2025—17th January 2025

Dear parents and carers,

This week in assemblies we focussed on being a good friend. This was important as the children were returning outside as the snow had finally disappeared. The children were thinking about kind words and kind deeds.

This week clubs restarted. We have a great selection for the children to choose from which is really important. We want all children to get the opportunity to experience working with different children and different teachers doing lots of creative things. Please ensure that you know what time your child's club finishes and collect them on time. If you are late to collect your child from a club then you must contact school to let them know if you are late three times your child will no longer be able to attend.

On Wednesday we held a coffee morning for our Arabic speaking families. Thank you to all those parents that attended. It is great to hear what you think about our school and how we could make your experience even better. Look out for the next session.

On Thursday 4H went to Chester to supplement their history curriculum. They had a wonderful time walking the roman walls and showing off what they already knew from their lessons. I am sure that the other two year 4 classes are looking forward to their trips next week.

This morning in our celebration assembly we were so pleased to award the presentation awards. We really want the children to take pride in what they are doing and improve their handwriting so that they have lovely cursive handwriting. Keep working hard everyone.

This week's whole school attendance figure is 93.61%. This is much improved from last week which is really good but there is plenty of room for improvement. Remember please contact school on your first day of absence as soon as possible. Well done to all those children who have been in school, on time, every day this week.

Have a lovely weekend
